

Hello and Welcome

Dear Valued Customer

Many years have passed since my last newsletter. At the end of 2010 I made the decision not to attend any more Craft Shows due to my health and in 2011 we moved shop across the arcade to No 9 with the new address being Tattersalls Centre Arcade 518 High Street, Penrith 2750.

Our new General Trading hours are Monday, Tuesday, Wednesday, Friday 10.00am to 4.30pm, Thursdays 10.00am to 6.30pm and Saturday 9.00am to 4.00pm.

Postage and Handling costs have increased to \$9.00 for parcels up to 500gms and \$15.00 for those over 500gms.

A number of our favourite suppliers have gone out of business. This includes: Stenboden, Olaf, Hotspotz, Karen's Artistic Touch and our plastic craft beads supplier. Stenboden changed ownership, and subsequently many patterns have been discontinued. Patterns that are still being sold are imported as required and these take approximately 2 weeks to arrive. Japanese size 9 beads, used in Olaf beadwork, are still readily available and the colour range has been increased. These can be found on our website. Olaf individual patterns are still available however I have a limited stock of their books. For those of you interested in the bead knitting patterns, I have acquired all of *Karen's Artistic Touch's* patterns. Due to the plastic craft bead suppliers going out of business, some of our stock is no longer available and is limited to current stock on hand. I do try to keep the Christmas colours in stock as so many of our kits use these beads.

With our 29th Anniversary of trading fast approaching on the 1st December 2019, I am starting to make plans for retirement and closing the *shop front*. I will keep the website going and keep producing new kits. I will gradually be depleting my stock of certain items such as fashion beads. So please keep an eye on our Facebook page (Polly's Beads Penrith) and website for end of line product sales.
