Dear Valued Customer,

Welcome to 2010. This is our 20th year in business and as part of the celebrations we will be having Monthly Birthday Specials to commemorate this milestone. This month (February) we have 10% off books, and looking ahead to next month we'll have 10% off Stenboden booklets. On our website you can follow the special link from our front page to see what is on special for that month.

**Breaking News!!!!** 2010 will be the last year that Polly's Beads will be attending the Craft & Quilt Fairs. Polly's Beads shop will still be operating as will our Web site so our great products and ideas will still be available for you to purchase your materials and see new beading projects.

**Did you know?** Polly's Beads are happy to visit craft groups or similar around Australia and run beading workshops. If you belong to a group and wish to organize a weekend, or a few days during the week, we can teach you some of our techniques and show what's new. Please don't hesitate to contact us for more information.

There have been quite a number of price changes for the **porcelain dolls and stands** and an updated colour Doll catalogue is now available at a cost of \$4.00. Alternatively, you can view this catalogue on our web site.

A new main catalogue will be available in mid March which can be purchased for \$5.00. A \$4.50 credit voucher will be issued with every print catalogue which can be used with your next order. The option of a colour print catalogue will also be available at \$15.00 with a \$15.00 credit voucher sent out once you have spent \$200.00. The catalogue is also available for you to download, or view on our web site.

If you have received this newsletter by mail and would like to receive these by email instead, please send your email address to: [info@pollysbeads.com.au](mailto:info@pollysbeads.com.au). Please let us know any email or address changes so that we can keep your details up to date.

There has been a significant increase in the cost of **Seed Beads** and packaging so the JP9's (OLAF) beads will increase to \$2.50 per 10 gram packet and \$20.00 for a 100 gram packet. **Delica and Mill Hill beads** have a large range of prices (depending on colours or sizes) and all have had an increase over the past 6 months.
